Prevea Health Welcomes Pediatric Hematologist-Oncologist Dr. Hemker

FOR IMMEDIATE RELEASE

GREEN BAY, Wis. —[August 4, 2011]—Prevea Health is proud to welcome Bradd Hemker, M.D. He will join Dr. Jon Brandt and Dr. John Hill at St. Vincent Hospital, located at 835 S. Van Buren Street in Green Bay. As a pediatric hematologist-oncologist, Dr. Hemker will provide care in a number of areas such as childhood and adolescent cancer, bone marrow failure, blood and clotting disorders and palliative medicine.

Dr. Hemker received his medical degree from Loyola University Chicago Stritch School of Medicine in Maywood, Illinois. He completed his residency at Loyola University Medical Center followed by a fellowship in Hospice and Palliative Medicine at Harvard Medical School in Boston, Massachusetts, and a fellowship in Pediatric Hematology-Oncology at the Medical College of Wisconsin in Milwaukee. Dr. Hemker is certified by the American Board of Pediatrics and the American Board of Hospice and Palliative Medicine. He is a member of Children's Oncology Group, the American Academy of Pediatrics, the American Society of Hematology, the American Society of Pediatric Hematology and Oncology and the American Society of Clinical Oncology.

“I believe open communication is the key to providing the best medical care for my patients and their families,” says Dr. Hemker.

Patients may schedule appointments with him by calling (920) 433-8670 or (888) 2PREVEA.
