Prevea Health Offering High School Sports Pre-Participation Physicals

Green Bay—July 13, 2012—Prevea Sports Medicine is offering $20 pre-participation sports physicals to area high school athletes now through August 7 at various Prevea Health locations. All proceeds collected will be donated to the athletic department of the athlete's school.

A sports physical, which deems a student safe to participate in school sports, is required by the WIAA every other year, and an alternate year card must be completed in off years.

The screenings are the first step in injury prevention, and can identify potential medical concerns to avoid future health issues. Visit www.prevea.com/wiaa_physicals.nws for more information. Appointments are required, and upcoming screenings include:
