

2020–2021 Flu Vaccine Clinics

Anyone may receive their annual flu vaccine at any of the listed Prevea health centers. You do not need to go to the Prevea health center where your primary care provider is located.

Flu clinic times will vary; however, general flu clinic hours are from 8 a.m. to 4:30 p.m. on weekdays and 8 a.m. to 2 p.m. on weekends. **We strongly recommend that patients schedule an appointment.** Visit www.myprevea.com, call your provider's office or call (888) 277-3832. Please check your insurance coverage prior to your appointment as we will bill your insurance company.
