Prevea Health Provides Family Medicine in Sheboygan Welcome Dr. Korankye

FOR IMMEDIATE RELEASE

SHEBOYGAN, Wis. —[August 15, 2011]—Prevea Health is excited to announce we are now offering Family Medicine services to the Sheboygan community.

We are pleased to welcome Charles Korankye, M.D. to Prevea. Dr. Korankye will practice at the Prevea Health Center located at 1411 N. Taylor Drive. As a family medicine physician, he provides care in a number of areas including routine pediatric and adult care, hypertension, hyperlipidemia, cardiovascular disease prevention, diabetes, women's health, IUD insertion, insertion and drainage of Bartholin cysts and skin abscesses, toe nail removal, joint injections and ECG and stress test reading.

Dr. Korankye received his medical degree from the University of Ghana Medical School in Legon and did his residency at Mercy Medical Center-North Iowa. He is a member of the American Academy of Family Physicians and the American Medical Association.

“There should be mutual respect and understanding between the patient and the physician,” says Dr. Korankye. “I feel it is important for decisions about disease management to be discussed and agreed upon with each patient.”

Patients may schedule appointments with him by calling (920) 457-4858 or (888) 2PREVEA.

Prevea Health’s mission is to take care of people with passion, pride, and respect.
