Prevea Health, a physician-owned and led multi-specialty group, is seeking a BC/BE cerebrovascular/endovascular neurologist to join the Prevea family in Green Bay, Wis.

**Opportunity**

- Join an established practice with two adult neurologists, a neurosurgeon, a pediatric neurologist and a neuropsychologist
- Practice is located at the Prevea Allouez Health Center, a multi-specialty clinic with lab, radiology and pharmacy
- Inpatient consults and surgeries performed at HSHS St. Vincent Hospital (Level II trauma center), located just moments from the health center
- Operate in a brand new, state-of-the-art Philips biplane surgical suite
- Coordinate and document patient care through our electronic medical record system, Epic
- Work in a clinic system with specialized nursing support and the use of an after-hours triage nurse department to assist with after hours patient calls

**Community**

Located in Northeast Wisconsin, just two hours north of Milwaukee and just minutes from Lake Michigan, Green Bay has something for everyone. In fact, our four beautiful seasons can fulfill nearly every recreational interest. Green Bay has excellent public and private schools, including a state university and a private college. With a population of more than 300,000, Green Bay metro offers all of the amenities of a “big city”, with professional sports and first-rate theater events. Residents also pride themselves on the area’s small town friendliness.

**Prevea Health offers:**

- The ability to practice medicine in a setting that feels very much like a private practice
- Physicians a decision-making voice that is hard to find in today’s corporate health care world
- A very competitive compensation and benefit package
- An opportunity to become a shareholder after one year in practice
