Prevea Health, a physician-owned and led multi-specialty group, is seeking BC/BE family medicine physicians to join the Prevea family in western Wisconsin.

**Opportunity**
- Outpatient family medicine practice with newborn rounding required
- Sponsorship available for both H1b visa and J1 waiver
- Potential teaching opportunities in conjunction with an area family medicine residency program
- Practice with or without obstetrics
- Collaborate patient care through our outstanding network of adult and pediatric subspecialty physicians
- Coordinate and document patient care through our electronic medical record system, Epic
- Work in a clinic system with specialized nursing support and the use of an after-hours triage nurse department to assist with after hour’s patient calls

**Community**
Western Wisconsin, an outdoor adventurer’s destination full of trails, parks and music, lies roughly one and a half hours southeast of Minneapolis-St. Paul. In fact, the area’s four beautiful seasons can fulfil nearly every recreational interest. Practice opportunities exist in the following locations: Chippewa Falls, Eau Claire, Menomonie and Mondovi. Prevea Health works in partnership with the following Hospital Sisters Health System (HSHS) hospitals in western Wisconsin: HSHS Sacred Heart Hospital in Eau Claire and HSHS St. Joseph Hospital in Chippewa Falls.

**Prevea Health offers:**
- The ability to practice medicine in a setting that feels very much like a private practice
- Physicians a decision-making voice that is hard to find in today’s corporate health care world
- A very competitive compensation and benefit package
- An opportunity to become a shareholder after one year in practice
