Prevea Health, a physician-owned and led multi-specialty group, is seeking a BC/BE neurologist to join the Prevea family in Green Bay, Wis.

**Opportunity**
- Join an established practice with two adult neurologists and a pediatric neurologist
- Practice is located at the Prevea Allouez Health Center, a multi-specialty clinic with lab, radiology and pharmacy
- Inpatient consults are performed at HSHS St. Vincent Hospital and St. Mary’s Hospitals, located just moments from the health center
- Take care of people with passion, pride and respect
- Coordinate and document patient care through the Epic electronic medical record system
- Work in a clinic system with specialized nursing support and the use of an after-hours triage nurse department to assist with after hour’s patient call

**Community**
Located in Northeast Wisconsin, just 2-hours north of Milwaukee and minutes from Lake Michigan, Green Bay has something for everyone. Our four beautiful seasons can fulfill nearly every recreational interest. Green Bay has excellent public and private schools, including a state university and a private college. With a population of more than 230,000, Green Bay offers all of the amenities of a “big city”, with professional sports and first-rate theater events. Residents pride themselves on the small town friendliness.

**Prevea Health offers:**
- The ability to practice medicine in a practice setting that feels very much like a private practice
- Physicians have a decision-making voice that is hard to find in today’s corporate health care world
- A very competitive compensation and benefit package
- Opportunity to become a shareholder after one year in practice
