Pulmonary Critical Care Medicine

Prevea Health is the largest physician-owned organization in the region with over 200 physicians practicing at 37 clinical locations in metropolitan Green Bay, Marinette, Oconto, Plymouth, Pulaski, Sheboygan and Door County. Prevea works in partnership with St. Vincent Hospital (www.stvgb.org) and St. Mary’s Hospital Medical Center (www.stmgb.org) in Green Bay, St. Nicholas Hospital (www.stnicholashospital.org) in Sheboygan and St. Clare Memorial Hospital (www.stclarememorial.org) in Oconto Falls.

As a physician-owned organization, Prevea gives physicians a decision-making voice that is hard to find in today’s corporate health care world. Prevea offers a very competitive salary and benefit program including:

- Malpractice, health, life, dental and disability insurance
- Relocation assistance
- 401(k) and retirement plan
- 4 weeks vacation/CME (increases as shareholder)
- And much more!

Prevea Health has an opening in its Pulmonary/Critical Care Medicine department in Green Bay, Wisconsin. We are seeking a BE/BC physician to provide both pulmonology and critical care inpatient services at our hospital partner, St. Vincent Hospital, a level II trauma center) while also providing outpatient pulmonology services at our Prevea Health Center; 1 in 2 call

Green Bay is a community with something for everyone. The proximity to Lake Michigan and four beautiful seasons can fulfill nearly every recreational interest that you may have. Green Bay has excellent private and public schools including a private college and state university. With an area population of more than 230,000, Green Bay offers all the amenities of a "big-city" with professional sports and first-rate theater events, but residents pride themselves on the area’s small-town friendliness.

The Sheboygan opportunity will provide outpatient care with inpatient consults and care to our inpatient pulmonology and critical care patients at St. Nicholas Hospital, a community hospital located in Sheboygan, Wisconsin; 1 in 2 call

Sheboygan lies on the shore of Lake Michigan about half way between Milwaukee and Green Bay, with an area population of 50,000. Sheboygan is surrounded by spectacular recreational opportunities including world-class golf, auto racing, fishing and environmental parks. It is also home to many cultural events, historical sites, fine dining, luxurious accommodations and waterfront activities. Sheboygan is only 58 miles from Milwaukee, 148 miles from Chicago and 65 miles from Green Bay.
