Community

Located in Northeast Wisconsin, just two hours north of Milwaukee and just minutes from Lake Michigan, Green Bay has something for everyone. In fact, our four beautiful seasons can fulfill nearly every recreational interest. Green Bay has excellent public and private schools, including a state university and a private college. With a population of more than 230,000, Green Bay offers all of the amenities of a “big city”, with professional sports and first-rate theater events. Residents also pride themselves on the area’s small town friendliness.

Prevea Health offers:

- The ability to practice medicine in a setting that feels very much like a private practice
- Physicians a decision-making voice that is hard to find in today’s corporate health care world
- A very competitive compensation and benefit package
- An opportunity to become a shareholder after one year in practice
