

# Prevea Training Run

## February BINGO

Let's have some fun this training season and play a game of BINGO! To get BINGO, you need to run past the designated locations and mark off the square. When you have five in row (vertically, horizontally or diagonally), you get BINGO!

When you have BINGO, take this card to Run Away Shoes, 2901 Ramada Way, Green Bay, for a gift. Also, all participants are entered into a drawing and three individuals will win a larger package each month!

Good luck and enjoy your runs.
