

Smarter Dental Plans

Enhanced dental benefits for those who need them most.

Your dental coverage includes Delta Dental of Wisconsin's Evidence-Based Integrated Care Plan (EBICP), which provides **additional cleaning(s) and/or fluoride treatments to individuals with specific medical conditions** that have oral health implications. Enhanced benefits can play an important role in the management of certain medical conditions.

If you or an individual on your plan have one or more of these conditions, you can enroll online. Once you enroll, you are immediately eligible for EBICP benefits.

How to enroll

1. Go to www.deltadentalwi.com.
2. Select the purple "Sign In" button and enter your Username & Password.
3. On your dashboard under "Preventive Care and Plan Features" there will be a section for Additional Benefits. Select "Enroll Now."*
4. In the "Enroll in EBICP" section, select the member and their condition, verify the information, and hit "Select."
5. This member will then be listed under "Your Current EBICP Benefits."

Open the camera on your smartphone and scan the QR code to learn how EBICP can help each condition, or visit deltadentalwi.com/EBICP

*If your plan does not include EBICP, "Additional Benefits" will not show.
